We are reaching out to you because your name was provided to us by a company that reported funds to us in the November 2020 reporting of unclaimed property. They reported you as a potential owner of unclaimed property funds.

Property has been turned over to the Colorado Department of Treasury in the name(s) listed above in accordance with the Revised Uniform Unclaimed Property Law, C.R.S. 38.13.101. The property identification number and the reporting company are printed on the top right of this email.

We encourage you to view our website and search your name <https://colorado.findyourunclaimedproperty.com/>. At this website you can file a claim. Some small claims can be electronically approved, so it is recommended to start a claim, no matter the size.

Our division's goal is to return funds to their rightful owners. Documentation required to prove your ownership of these funds will be listed on the claim form under section C. **As a reminder, there is never a cost to collect funds directly from our division.**

At this time, we are working remotely due to COVID-19. We would be happy to assist you with any questions you may have at the following email address: greatcopyback@state.co.us. If you cannot email, please mail an inquiry to the address below.

Thank you,
